By choosing to plant  
trees on your property,  
you are taking direct  
action to make your  
home, neighborhood  
and city a healthier,  
cleaner and better place  
to live. Boise thanks you!

*Trees grow a healthy community.*

The City of Boise is offering trees to residents in your neighborhood, free of charge! The "catch" is the trees must be planted within 10 feet of the edge of your street. All you have to do is indicate your willingness to plant the tree and care for it as it grows.

▶ Respond within 2 weeks online at [www.cityofboise.org/forestry/freetrees](http://www.cityofboise.org/forestry/freetrees) or just detach, fill out and mail in the postcard below.

Boise City certified arborists will help you find a place to plant the tree along your street, and offer information on the best planting and care techniques.

Trees pay you back! Benefits include cleaner air, increased property value, energy savings, stormwater interception, shade & beauty.
