

RULES & REGULATIONS*

Dog owners must adhere to the following rules when visiting Boise City Parks with their dogs:

- Dogs may not harass humans or animals, including other dogs and wildlife.
- Dogs must be on a leash unless in an area otherwise indicated.
- Owners are required to remove fecal matter deposited by their pets.

RESTRICTED AREAS*

There are a number of parks within the City of Boise that have dog restrictions.

Dogs are not allowed in the following parks:

- Boise Depot/Platt Gardens
- Esther Simplot Park *(with the exception of the Greenbelt Pathway)*
- Fort Boise Military Cemetery
- Hyatt Hidden Lakes Reserve
- Marianne Williams Park *(with the exception of the Greenbelt Pathway)*
- Morris Hill Cemetery

* Park users in violation of any of the above ordinances, or any other rules of the parks outlined in Boise City Code, may be cited, fined, and/or asked to leave.

Please remember the following when using designated off-leash areas:

- Gates, where present, must be closed upon entering and exiting.
- Never leave your dogs unattended or allow them out of sight, and never leave the area without your dogs.
- Always carry leash; leash dogs when entering/leaving park.
- You are legally responsible for your dog's behavior and any injuries or damages they cause.
- Lots of people are afraid of dogs - even friendly ones. Never assume people want to meet your dog.
- Many dogs - even the most obedient - can become aroused visually, or by a scent or noise, and may chase or scare wildlife away from nesting, feeding, and resting sites. Be courteous to wildlife; have your leash ready.
- Use caution: Wildlife may bite or transmit disease to your dog, or your dog may ingest poisonous plants.
- Dogs that are in heat or not neutered should be kept away from other dogs.
- For safety reasons, please remove pinch, spike or choke collars and halters before entering off-leash areas.
- Some dogs are not used to being around children and may react negatively. If there are children in the area, please keep your dog under your immediate control.
- Provide your dog with lots of drinking water before and after exercise (you too!); check ears and between toes for pesky seeds or thorns.

Dogs can run off-leash in designated areas of the Boise Foothills, as long as they are not disturbing wildlife or causing a safety concern with other trail users.

Trail rules to remember:

- Several trails have been designated as “Controlled Off-Leash.” This means dogs must be within 30 feet of the owner and stay on the trail.
- Dogs must not approach or harass people, other pets or wildlife.
- Bring along waste bags or “mutt mitts” and be prepared to clean up after your dog.
- Share the trails by managing your dog!

OFF-LEASH PARKS

Dogs and their owners will enjoy playing at four off-leash parks maintained by Boise Parks and Recreation. The parks are open during daylight hours and feature mulch or sand surface materials; no green grass. As in all parks where dogs are permitted, owners must pick up after their pets.

- Morris Hill Park, 10 Roosevelt St:** The 1-acre enclosed park features a shelter and benches, trash cans, fire hydrants and other park features.
