In case of emergency, dial 911.

The Boise Greenbelt is a safe and popular place enjoyed by thousands of people annually. Users should follow these simple common-sense suggestions:

• Stay on designated trails.
• Pedestrians have the right of way at all times. Cyclists
  must yield to all pedestrians.
• Pets are welcome on trails, but must be on leashes.
• All greenbelt users should stay to the right and allow centuries
  where vision could impaired.
• Recreational fishing is allowed in the Boise River.
• Motorized vehicles and vehicular travel are prohibited (except
  for ADA accessible electric wheelchairs).
• No open flames are permitted in forested areas.
• Discharge of firearms is prohibited. The area is an urban
  wildlife watching environment.
• Pet owners are responsible for picking up after their pets.

The Boise Greenbelt is a magnificent corridor that serves a variety of purposes: a place to enjoy nature, a place to get away from it all, and a place to connect with others. The Boise Greenbelt is a popular destination for boaters, swimmers and standup paddleboarders.

Boise River Greenbelt
One of Boise’s most popular parks and trails, this 25-mile riverfront trail winds through Boise’s oldest neighborhood of Barber Valley. It begins near the St. Alphonsus Medical Center, offers views of surrounding cities and suburbs, and leads to the beautiful Boise River. This trail provides access to a variety of wildlife habitats, including diverse riparian species. The Boise River Greenbelt also provides a scenic and relaxing setting for walking, biking, and jogging along the Boise River.

Other Points Of Interest

10. Barber Park
An urban wildlife habitat area with 1 mile of shoreline along the Boise River. The undeveloped park features a 2-acre wetland designed to improve water quality by filtering through a plant, micro-algae ecosystem. Boating, fishing, picnicking and bird watching are allowed.

11. Dog Bowl Park
The city’s dog bowl park in Downtown Boise was opened in 1997, and is located just behind the Boise River Trail. It offers a shady, grassy, dog-friendly area that is equipped with water fountains. Pet owners can bring their furry friends to enjoy the park at their own risk.

12. Foothills Trail Boardwalk
The Foothills Trail is a 10-mile trail that connects the Boise Greenbelt with the Foothills Recreation Area. The trail is accessible to all ages and abilities and features a 1.5-mile boardwalk with views of the Boise River. Boardwalk is closed during the winter months.

13. Warm Springs Golf Course
Located in the Warm Springs neighborhood, this 18-hole golf course offers picturesque views of the Boise River. The course is open to the public and features a pro shop, driving range, and instruction programs.

14. Brown Crossing
Boats crossing a bridge of resources and streets. Boats are available for rent and the area features a large park opened in 1959. A popular destination for boaters, swimmers and standup paddleboarders.

Boise River Greenbelt

As it traverses the valley, the Boise River Greenbelt becomes a four-season classroom for learning about the area’s cultural and environmental past. Look for a series of historic signs that teach us about the Native American presence in the area, Chinese gardens, early rail service, the Davis apple orchards, the founding of Boise, and much more. Originally installed in 1990 for the state’s centennial celebration, the signs were refurbished in 2013 for the City of Boise’s 150-year anniversary.
